Dear Bob:

STAT Just a line on my return to  
thank you for all you did for us during our  
STAT recent passage [redacted] I enjoyed it  
very much and hope it was not unhelpful.  
Nothing more materialized on the  
visit to your neighbors. You can pass that to  
STAT my old [redacted] friend.  
Please thank [redacted] for the fine  
STAT reception at your house and [redacted] for his  
usual outstanding service. Sometime around  
STAT the 26<sup>th</sup> or 27<sup>th</sup> of May [redacted]  
may give you a ring. Could you put him  
STAT in touch with [redacted] about getting a  
ride back from [redacted]  
STAT [redacted] Thanks to [redacted]  
and to you.

As ever,  
Duke
